

# *FULL DAY* **TENNIS** **SUMMER** **CAMP** *2024*

## WHO WE ARE

The AMA tennis academy is among the largest tennis academies in Canada and has contributed to the development/formation of renowned professional tennis players such as Stephanie Dubois, Simon Larose, Leylah-Annie Fernandez, and Taha Baadi. Many of our athletes have successfully obtained sports scholarships in various North American universities. We strive to ensure the physical and social development of our athletes. In addition, we have offered programs at the Town of Mount Royal for over the past 20 years.

## OUR GOAL

The Full Day Camps held in Town of Mount Royal will not only teach and develop your child's tennis skills, it will allow children to develop their physical, emotional and social aspects, by staying active throughout the summer in a group setting and having fun. The program aims to instill lifelong physical and social skills through stimulating activity in a dynamic environment.

## WHO CAN JOIN THE PROGRAM

Our day camps are for children **between the ages of 6 and 15** who are interested in learning and developing their tennis skills as well as partake in a variety of other sports and recreational activities. For our summer camp, we will divide players into **two different levels : A (highest) and B (lower)**. Age is used as an indicator, but we will make the groups according to their level of play and their following skill:

Links to videos will be provided to better understand the minimum level for the groups and a description of the skills required to join the program which will be listed next to each program. An in-person evaluation with the head coach can also be scheduled by contacting [ama@amgtennis.ca](mailto:ama@amgtennis.ca) for an extra cost.
